The Exhibit Hall will be open to workshop participants on March 1, 2, and 3 in the Red Oak Ballroom adjacent to the meeting rooms where sessions will be held. A map of the workshop layout is enclosed, as well as a floor plan for the exhibit hall with a current list of exhibitors and their corresponding booth spaces.

Setup & Teardown

Exhibitors will have access to the Red Oak Ballroom for setup on Monday, February 28, from 1:00PM until 5:00PM. Each 10x10 booth will be furnished with a 6' table and 2 chairs. If you require additional furnishings, please let us know. Electrical is available at a rate of US\$25.00 per power drop and must be arranged no less than one week in advance. Please e-mail j.chavez@norriscenters.com with any electrical needs or inquiries. Teardown may begin on Thursday, March 3, following the lunch break.

There are no loading docks, freight elevators, forklifts or on-site storage space available for use at this facility. Please avoid the use of large or heavy items, such as shipping crates.

Booth Staff

All booth staff are required to register for the workshop sessions (March 1-3). Booths should be staffed on Tuesday and Wednesday from 8:00AM to 5:00PM and Thursday from 8:00AM to 1:30PM. It is highly recommended that you do not leave any valuables in your booth when unattended.

Registration

Daily meals are included with registration. Breakfast will be served from 7:00AM to 8:00AM, lunch from 12:00PM to 1:00PM, with morning and afternoon snacks available during breaks. If you'd like to sponsor a meal or break during the conference, please [click here](#) for sponsorship options and pricing.

Each 10x10 booth includes two complimentary workshop passes valid March 1, 2, and 3. Course registration on February 28th is not included but may be purchased separately. Please be aware that booth setup takes place at the same time as the courses.

Event Promotion

We know you're busy, so we're providing some ideas and [digital assets](#) that you can use to help spread the word about the upcoming Artificial Lift Workshop:

1. Invite your contacts to attend the workshop! Send personal invitations or email campaigns, share the [event flyer](#), and the [link to the event page](#).
2. If you're active on LinkedIn, please [follow us](#) and Like, Comment, Share, or Tag relevant people and companies on our posts. You can also share our posts into relevant LinkedIn Groups you may be a member of. People and Brands are encouraged to tag us in their social posts.
3. Record a 30-60 second video invitation to visit your booth. Let viewers know who and what will be there and send it to us (or simply tag us on the post) if you'd like us to share it.
4. If you're also presenting at the workshop, invite your network to come watch. You can also record a 1-2 minute video summarizing your presentation and send it to us (or simply tag us on the post) if you'd like us to share it.
5. Feel free to use any of the promotional copywriting or images we've previously published to promote the workshop. You may copy and paste text from our website, Eventbrite, email campaigns, social media, etc. as needed.

Additional Information & Resources for Exhibitors

Please visit the [Resources](#) section on our exhibitor info page regularly for new and up to date information that you might find helpful in planning your trip to Houston CityCentre for the workshop. We will be updating this section with resources and information in the days and weeks ahead.

Inquiries

In advance of the event, please direct any questions or concerns regarding the workshop to info@alrdc.com and someone will get back to you as soon as possible.

On-Site Contact

Ronda Brewer will be at the registration table during workshop hours in case you have questions, need assistance, or would like to donate a door prize. Donors are encouraged to attach a business card to prizes. Door prize draws will take place during the final hour of the workshop on Thursday.
