Event Promotion

We know you're busy, so we're providing some ideas that you can use to help spread the word about the upcoming Sucker Rod Pumping Workshop:

1. Invite your contacts to attend the workshop! Send personal invitations or email campaigns, share the [event flyer](#), and the [link to the event page](#).
2. If you're active on LinkedIn, please [follow us](#) and Like, Comment, Share, or Tag relevant people and companies on our posts. You can also share our posts into relevant LinkedIn Groups you may be a member of. People and Brands are encouraged to tag us in their social posts.
3. If you're presenting at the workshop, invite your network to come watch. You can also record a 1-2 minute video summarizing your presentation and send it to us (or simply tag us on the post) if you'd like us to share it.
4. Feel free to use any of the promotional copywriting or images we've previously published to promote the workshop. You may copy and paste text from our website, Eventbrite, email campaigns, social media, etc. as needed.

Additional Information & Resources

Please visit the '[Resources](#)' section on our event page regularly for new and up to date information that you might find helpful in planning your trip to Midland for the workshop. We will be updating this section with additional resources and information in the days and weeks ahead.

Inquiries

In advance of the event, please direct any questions or concerns regarding the workshop to info@alrdc.com and someone will get back to you as soon as possible.
